### What is the basis for your suggested minimum age for this trip?

While we welcome children ages 4 and up for our River Cruise trip, we recommend that children be at least 8 years old at the time of travel. This is based on several factors, such as flight time, jet lag, time zone differences between destinations, vacation duration, extended hours of daily activity programming and the amount of physical activity (e.g., walking and biking) involved. Because each child is different, call a Vacationista at (800) 543-0865† to discuss whether this is the right trip for your little ones.

### What types of meals are served on this Adventures by Disney Trip?

Typically, breakfast is buffet-style. Dinners and lunches usually include fish, meat and pasta or rice entrées; vegetables and salad; and desserts and fruit. Some meals on the trip are served buffet-style while others offer a limited-choice menu. Given the nature of group travel, we regret that à la carte menu choices may not always be available. Child-friendly choices are available at all meals, however. Menu items are subject to change due to the availability and seasonality of foods. If you have any questions or concerns about dining at any time during your vacation, your Adventure Guides will be happy to assist you.

### Is alcohol included with meals?

Wine and beer are included during scheduled meals in the ship's dining room.
